

Carry On

Sometimes livin is hard
Lookin away ignoring the shards
Strugglin just to keep pace
Jugglin daggers up this sheer face

In spite of In spite of What may be wrong
Keep calm al alm and carry on
Tomorrow tomorrow's a new start

Other times livin's a breeze
Findin whatever you need to please
Givin thanks for these grand times
Searchin for these simple rhymes

These times living is sweet
Tryin not to miss a single beat
Speakin all I need to say
Reachin out I will be brave
