

Dressed For Play

©2011 Arlen Trent Rundvall

Saw her that night down at the fair
It was hard not to stare
Sittin with my buddies just kickin back
There she was smiling at me
She's dressed for play
She's dressed for play
This is my rink This is my game
Watch me close I'm making a name
She's workin me checkin in the corners
A couple of shots she's so hot
She's dressed for play
She's dressed for play
Need to feed the pass
That's how you play to win
Watch me shoot and score
That's how we're gonna win
That's how we're gonna win
Makin my move but who's that guy
Hit him hard to the ice
Feel the puck makin the pass
There she is blowing a kiss
She's dressed for play
She's dressed for play
She loves the game
Loves me too
She cheers and yells
How bout you
Skate hard this season to the cup
Her jersey makes me wanna shout
She's dressed for play
She's dressed for play
Need to feed the pass
That's how you play to win
Watch me shoot and score
That's how we're gonna win
Need to feed the pass
That's how you play to win
Watch me shoot and score
That's how we're gonna win
That's how we're gonna win
That's how we are going to win
Shoot the puck
