Hopin for the best
I packed up all this mess
Hittin the road leavin home
Wheels rollin this white stone

I'm just a gypsy, a gypsy
A nomad at heart
A gypsy, a gypsy
A nomad at heart

Searchin for the rhyme
I left it all behind
Hittin the road leavin home
Wheels rollin this white stone

Findin my reason for bein
I took up sky seein
Hittin the road leavin home
Wheels rollin this white stone

This trips a brand new start
A nomad at heart
