Propensity we share
Still hear your voice blare
Can't choose em
We are no island
See tide slidin
Can't choose em

Hiss hiss or is it bliss bliss
Hiss hiss or is it bliss bliss
Family
Cover me in blisters
Smother me with kisses
Family

Familiarity breeds
Careful with your seed
Choose your tribe
Just take the best
Then lose the rest
Choose your tribe

Squabble wobble cry high
Squabble wobble cry high
Grow up we do
Birds of a feather
Stick together
Grow up we do
